

Family Fun Newsletter

From the Director's Desk

Thank you to all the parents that were able to make our Parent teacher conferences, if however you were unable to attend and would like to meet please see me and I will be happy to schedule a time to review your child's progress report.

February is filled with many of the things we love, Parties being among them. We will be having a Mardi Gras party on the 9th and our Valentine Ball on the 19th. Lunch will be provided for the Valentine Ball.

We will also be highlighting Black History Month with the children.

Other Themes for the month will include Ground Hogs Day, and Presidents Day.

We would like to remind our parents to please label their child's things. Labeling enables us to keep track of your child's belongings.

In the coming weeks we will be putting together our summer and trip schedule. payment for the trips must be made in advance so that we may retain the buses required.

We will be continuing our Pajama Day Monday as per parent request, We will also continue our pizza Fridays, Pizza is \$2 for a slice of pizza, snack, and drink.

As always if you have any question or concerns do not hesitate to contact me

That's not fair!

Last month we discussed ways we can help children learn to bring kindness to their worlds. This month I would like to touch on the theme of Fairness.

How many times have we had a child yell and scream "that's not fair!" many times the respond is " get used to it , Life's not fair".

And while I agree and have used

those words myself there really is a better way to respond and teach our children that although things are not always fair that is not always a bad thing. In the process we can teach our children patience and empathy.

I have attached an interesting article as well as some websites where we can find some great tips

FAIR ISN'T
everybody getting the
same thing.....

FAIR IS
everybody getting
what they need
IN order to be
SUCCESSFUL.
