

Family Fun Newsletter

From the Director's Desk

We hope that everyone has had a wonderful Holiday, we are now preparing for the New Year activities.

This month we are discussing the cold weather and cold weather animals with the children, as well as practicing acts of kindness in honor of Martin Luther King.

We would also like to explain our outdoor play policy. The children play outdoors in the winter as long as the weather is above 36 degrees, so please make sure that the children have proper outdoor clothing so that they may participate.

We also have a full curriculum of indoor activities to keep the children active even when we cannot go out to play.

We will be have Pajama Day every

Monday in January , and Wacky Wednesday will be held on the 27th, Pizza will continue every Friday.

Parent teacher conferences will be held on the 20th we will be meeting with parents any time between 7 am and 6 pm please see your room teacher to sign up for a time that works best for you please use this time to update your contact information.

Reminder that we will be closed on 18 for Martin Luther King.

We would also like to remind you that we post any delay opening and snow days on our website.

As always if you have any question or concerns do not hesitate to contact me

Family Fun Day Care

January themes

- Three Kings
- Winter animals
- Martin Luther King
- Winter Weather

Acts of Kindness

We would like to encourage our parents to work with the children in participating in acts of kindness as a way to honor Martin Luther King.

We find that children get a joy out of realizing how their actions make those around them happy. Some of the things we work with the children on are, helping a friend when they are sad, or helping clean up as a part

of keeping their world beautiful. There is not act to small, from telling a story to make us smile or painting us a picture to brighten our day.

We reward them with praise and recognize them with awards so please look out for their awards ALL children receive them as the goal is to show how they can make

a change. Below are some websites for great activities for this special day.
